16	EXAMINATION BY MR. GOLDSON:
17	Q. Hi.
18	A. Hi.
19	Q. Kim, can you just state your name and
20	address for the record please.
21	A. Sure. Kim Nanfeldt; 611 Powell Avenue,

Page 6 1 Jessup, Pennsylvania 18434. 2 Thank you. My name is Ingmar Goldson. Ο. 3 I represent the plaintiff in the lawsuit against Ability Recovery Services as you may know. Just a 5 couple preliminary questions. Have you ever been 6 deposed before? 7 Α. No. 8 Okay. I'm just going to give you a Q. couple basic rules and Mr. Metcho can follow up with 9 a few rules if he pleases. First is to make your 10 11 responses verbal because the court reporter cannot pick up body language, head nods or anything of that 12 13 nature and try to stay away from answers like uh-uh and just say yes or no. If you do not understand a 14 15 question, please ask me to clarify. 16 The only thing I MR. METCHO: 17 would add is conversations between you and I like as we had on the phone are 18 1.9 protected by the attorney/client 20 privilege. So if Mr. Goldson asks a 21 question that may trigger a response

```

            that includes something you and I
            discussed in the past or something I
3
            discussed with your company, you do not
4
            have to provide that response.
5
                   If that becomes an issue, I'll
6
            make you aware of it and we can decide
7
            whether or not it's privileged. So just
            be aware that that could come up during
9
            the deposition.
10
                   THE WITNESS:
                                 Okay.
11
                                 Thank you.

1	Α.	I do.
2	Q.	How long have you worked there?
3	А.	Eleven years.
4	Q.	What is your current are you on
5	salary or are	you paid hourly?
6	Α.	No.
7	Q.	You are paid hourly?
8	Α.	And a commission, hourly plus
9	commission.	
10	Q.	Okay. Can you tell me what your pay
11	structure is?	How much do you get hourly?
12	Α.	Thirteen.
13	Q.	And what's your commission rate?
14	Α.	It varies. It varies based on the
15	collections.	My annual is about \$70,000 a year.
16	Q.	Okay. What's your current position at
17	Ability Recove	ery Services?
18	Α.	I'm the collection manager.
19	Q.	What are your duties as a collection
20	manager?	
21	Α.	I am in charge of the strategy to bring

- the revenue in. I place the accounts in the system.
- I do a little bit of IT work. I work with the
- 3 collection staff. I work with clients, a little bit
- of everything.
- 5 O. How many people, how many employees
- 6 does Ability Recovery Service have in its collection
- 7 staff?
- 8 A. About 30.
- 9 Q. How many employees as a whole does
- 10 Ability Recovery Services have?
- 11 A. About 37.
- 12 Q. So other than the 30 collectors, who
- are the other employees and what do they do?
- 14 A. It would be clerical, they would be
- client liaison, they would be processing,
- administration; those types of positions.
- 17 Q. How many employees at Ability Recovery
- 18 Services would have worked on the alleged debt of the
- 19 plaintiff in this matter Crystal Long?
- 20 A. Four.
- Q. Can you tell me their names?

- A. I'm taking it -- I can't. I'm taking
- <sup>2</sup> an educated guess there.
- Q. Okay. But you can't say who those four
- 4 employees were?
- 5 A. Other than Mark.
- 6 O. Okay. What -- do you know their titles
- 7 then, who those -- the four titles?
- 8 A. It would be our clerical staff.
- 9 Q. When you say clerical, what does that
- 10 mean?
- 11 A. Their duties would be to handle
- 12 e-OSCARs, you know, the disputes, you know, those
- 13 functions, you know, outside of the collection staff,
- 14 requesting backup; those types of functions.
- Q. Who does any sort of work with e-OSCAR
- 16 at Ability Recovery Services?
- 17 A. Currently? There was probably a change
- since this matter to, you know, today.
- Q. Yeah. Last year.
- 20 A. Shannon Saxon Price, Kathleen Turner.
- 21 I'd say those would be our two main ones.

21
                    Who trained Audrey?
            0.
```

- A. Audrey would have trained Audrey.
- 2 Audrey is our compliance officer. So Audrey would go
- out and she would, you know, seek the knowledge and
- 4 pass it along.
- 5 Q. How long has Audrey been with Ability
- 6 Recovery Services?
- A. Since its inception, 2005.
- Q. Who are the owners of the Ability
- 9 Recovery Services?
- 10 A. Michael Conflitti.
- 11 O. What's his relationship to Audrey?
- 12 A. Audrey is his daughter-in-law.
- Okay. Does the collection staff at
- 14 Ability Recovery Services receive training on the
- 15 Fair Credit Reporting Act?
- A. Yes.
- 17 Q. Do they receive training materials?
- 18 A. Yes.
- 19 Q. When do they receive that training?
- 20 A. When they first start employment. It's
- 21 all included in a binder that they keep at their

- 1 desk.
- Q. Were -- now, I'm going to show you the
- 3 responses to the requests for production of documents
- 4 in this matter. Do you recognize that document?
- 5 A. Yes, I would say I do.
- Q. Did you organize the materials to turn
- over to the plaintiff and respond to that document?
- A. I would say that would have been
- 9 Audrey.
- 10 Q. So -- okay. So Audrey responded to the
- 11 request for production of documents?
- $^{12}$  A. Yes.
- Q. Who conducts the Fair Credit Reporting
- 14 Act training for the collection staff?
- 15 A. Jeremy, my supervisor Jeremy Mills.
- Q. Was Jeremy involved with any of the
- 17 collection disputes for Crystal Long?
- 18 A. No.
- 19 Q. How often does Ability Recovery
- 20 Services find that it's attempting to collect a debt

Now, they are not all 4 Α. collected, that's what we have in our system. 5 About 500,000 different accounts? 0. 7 Mm-mm. Α. Does Ability Recovery Services carry 8 Ο. liability insurance? 10 Α. Yes. Is Pendrick named in that liability 11 0. 12 insurance? 13 I believe so, but I don't work with Α. 14 those types of documents. I'm going to show you this document. 15 Ο. That is a verification sent to the plaintiff by your 16 employer Ability Recovery Services. Is that your 17 18 signature? 19 Α. Yes. 2.0 MR.      interrogatory out for the record.
20
                   Right here?
            Α.
21
                   Yes.
            Q.
```

- 1 A. In light of the allegations in the
- 2 complaint, please identify each incident where you
- 3 erroneously verified credit information relating to
- 4 plaintiff which should have not have been verified.
- O. Okay. You can read the response to
- 6 interrogatory number ten, you can read it out for the
- 7 record or to yourself.
- A. ARS objects to this interrogatory on
- 9 the grounds that it is confusing, vague, overbroad
- and not calculated to lead to the discovery of
- 11 admissible evidence. Subject to and without
- 12 having -- without waiving these objections, ARS
- 13 responds that it does not have any information that
- is or may be responsive to this interrogatory as it
- did not erroneously verify credit information related
- to plaintiff which allegedly should not have been
- verified.
- 18 Q. Do you stand by that answer today?
- 19 A. Yeah.
- Q. Do you still maintain that the
- 21 plaintiff Crystal Long owes a debt to Ability

Page 18 1 Recovery Services or Pendrick? 2 I don't think we actually know the answer to that. I don't know. 3 When Ability Recovery Services first Q. received the account from Pendrick, at that point did 5 Ability Recovery Services deem that the plaintiff 6 7 Crystal Long owed that money to Ability and Pendrick? 8 MR. METCHO: I'm going to object to the form of the question. If you 10 understand it, you can answer. I don't think we 11 THE WITNESS: 12 really know who owes what until we get 13 to situations a little bit farther down 14 the road. If someone tells us they 15 don't owe it, you know, then we take a 16 look at the information that we have on 17 file and take it from there. So to say 18 whether she owed it or not when it first 19 came to our office, I don't know the 20 answer to that. 21 BY MR. GOLDSON:

- Okay. Thank you. In your response you
- just said take it from there, what -- can you
- describe that process?
- A. Sure. In the case Crystal Long she
- 5 called in from a letter, she was disputing it. We
- 6 put it in a disputed status and reported it to the
- bureaus as disputed. She didn't get any more phone
- 8 calls. She didn't get any additional letters.
- 9 At that point, you know, she didn't
- provide any additional information to us to state
- that it wasn't her, so we left it in a disputed
- status. You know we get the e-OSCARs over with no
- additional information, so we verified what we had on
- the system which was unknown.
- Q. When you said verified as unknown, can
- you explain what you mean by that?
- 17 A. Sure. When an e-OSCAR comes over and
- they're saying, you know, this isn't my debt, we take
- a look at the information that came over with the
- file and that was loaded in our system. In Crystal's
- case that information was unknown.

- We didn't have a Social, we didn't have
- a date of birth and that's what we reported back to
- over to the bureaus is that information to identify
- 4 her as either being responsible or not responsible
- 5 for the debt was unknown.
- Q. Is it your testimony that Ability
- 7 Recovery Services did not respond to the disputes
- 8 that the reported information was accurate?
- 9 A. We reported it as unknown, that was
- 10 accurate.
- 0. What was accurate?
- 12 A. That the information was unknown was
- our accurate response. We did not know that
- 14 information.
- O. So did Ability respond that the
- 16 information was accurate?
- 17 A. We responded that it was unknown.
- Okay. All right. I'm going to show
- 19 you a document that was turned over for requests for
- 20 production in this case. Do you recognize that
- document?

Page 21 1 Α. I do. 2 What is it? 0. 3 That's our activity history from Α. Crystal Long's account. Okay. And was that document created in 5 0. 6 the regular course of business for Ability Recovery 7 Services? 8 Α. Yes. Ο. Okay. Sorry. 10 Α. That's okay. 11 I have one copy so let me take a quick 0. 12 I'm going to ask you a few questions about look. 13 that document --14 Α. Sure. 15 -- that doesn't seem clear at this 0. 16 point. Here it says broken promise work was A51. 17 Can you explain what that means? 18 That just means that this in our world Α. 19 is an open queue. Based on what happens with the 20 account, the accounts are rearranged in priority. So 21 this was something that right here, okay?

- Q. Yeah.
- A. Rolled out to an A51 queue. So it's
- just an open queue is all that is. It just means
- 4 that no collector has ownership of that account and
- 5 wants to continue to work it.
- 6 Q. Okay. Here at May 24 it says e-OSCAR
- 7 verified, image added and e-OSCAR verified. What is
- 8 your understanding of what that means?
- 9 A. That means that the e-OSCAR dispute came
- in and they took a look at it, they reviewed the Debt
- 11 Master and they verified the information that we had
- on file.
- Q. Were there any other steps taken?
- 14 A. Other than viewing the account?
- Q. Yeah.
- 16 A. I don't believe so.
- Q. Sorry.
- A. That's okay.
- 19 Q. Just for the record right here where it
- says gave copy to Audrey, is that Audrey Conflitti?
- 21 A. Yes. Complaint received, added to

- docket, yeah. So that would have been the complaint
- that was received on that day, yeah.
- Okay. Thank you. I see a list of
- 4 phone numbers here and then it says CBC skip four
- 5 times. What is CBC skip?
- 6 A. CBC skip, CBC Innovis is a company that
- ye use to batch our accounts out to retrieve the best
- 8 location information possible, meaning phone numbers
- 9 and addresses. So we'll take the information that we
- have from our client, the way the file came over and
- we'll create a file and send it out for a batch. CBC
- will return information, what they consider to be
- their best information so that we can reach out and
- 14 locate the consumer.
- O. Okay. So that would be you're
- describing Ability Recovery Services' skip tracer?
- 17 A. Yes.
- 18 Q. Does Ability Recovery Services use any
- other skip tracers?
- 20 A. No.
- Q. In your response -- I'm sorry. In your

	Page 24
1	response to the interrogatories here, the first
2	interrogatory requests information for anyone who
3	knows any facts alleged in, any information, any
4	facts alleged in the complaint. We didn't receive
5	anything about any skip tracers, do you know why?
6	A. Was the question asked? I don't know.
7	MR. METCHO: I'm going to object
8	to the question on the grounds that it
9	may seek information that is protected
10	by the attorney/client privilege, but
11	you can answer if you are able.
12	THE WITNESS: I don't know why it
13	wouldn't have been included. I don't

20
    why that $1,125 account showed up on the credit
21
```

- 1 report and the \$74 account did not show up on her
- <sup>2</sup> credit report?
- A. I can tell you that credit reporting is
- 4 part of our collection software. Okay. That
- 5 information is built in. Okay. It goes out to each
- 6 account and it creates the file based on the
- 7 information that comes over in the file from our
- 8 clients. That information is gathered and it's
- 9 uploaded to each of the major bureaus. The bureaus
- then take the information that we've provided and
- they find the best fit for it.
- So we're uploading the information that
- we have in the system. I believe there was probably
- a little bit more information maybe on one of the
- accounts than the other, but you know that's how the
- 16 credit reporting process would work. We upload the
- information that we have in our system. The credit
- bureaus decide the best fit.
- 19 Q. So is it your testimony that this \$74
- 20 account was reported in the same fashion as the
- \$1,125 account to the credit reporting agencies?

- 1 A. Whatever information that would have
- been in each respective account would have been
- <sup>3</sup> uploaded to the bureau.
- Q. Okay. So the difference in reporting,
- 5 your testimony is that it's because of the credit
- 6 reporting agencies, not Ability?
- 7 A. There's different information in each
- 8 account. So the bureaus would have looked at each
- one individually and made the best bet.
- Okay. Does Ability Recovery Services
- 11 generate these documents, these two collection
- 12 letters?
- A. We send a file over to our letter
- company and they would generate them.
- O. Okay. Does Ability Recovery Services
- 16 generate those documents through the regular course
- of its business?
- 18 A. Yes.
- 19 Q. Okay. Thank you.
- MR. GOLDSON: I'd like to mark
- these exhibits separately please.

9
            Α.
                   Yes.

            Α.
                   Yes.
```

- 1 Q. -- more than 30 days? When you say
- 2 more than 30 days, is that because Ability Recovery
- 3 Services sends out the information on the same day of
- 4 each month?
- 5 A. No. It's -- that's what the law
- 6 requires. The law requires that there's a validation
- 7 period of 30 days. So whatever that next credit
- 8 reporting cycle would fall after that 30-day period
- 9 is when the account would go over.
- 10 Q. Thank you. All right. When Ability
- 11 reports an account or credit reporting agency, is
- 12 Ability telling the credit reporting agency that the
- consumer owes that debt?
- MR. METCHO: I'm going to object
- to the form of the question, but you can
- answer it if you are able.
- 17 THE WITNESS: I mean basically we
- are saying this is the information
- that's been provided to us and we send
- that information over. And based on the
- information that's in that file, the

Page 32 credit bureau makes the decision if 1 2 there's enough information to place it 3 on the record. BY MR. GOLDSON: Does Ability ever make a determination 5 as to whether or not any of the consumers that it 6 7 pursues for debt actually owe that debt? 8 I don't understand your question. Α. Does Ability ever make, ever come to 9 Q. the conclusion through its collection process that a 10 collector, sorry, that a consumer actually owes the 11 debt that Ability Recovery Services purports that 12 that consumer owes? 13 That comes from our partnership with 14 Α. 15 our clients and the ability, you know, to -- we partner with, you know, clients that are credible and 16 that you know these people, you know, do all the 17 debts and they can provide the backup that says that 18 19 they do. In this case with the plaintiff Crystal 20 0. Long, Pendrick your partner sent placement data for a 21

- 1 Crystal Long that lived in Baltimore. Ability sent a
- letter to the plaintiff and that letter went to
- Bowie, Maryland. So where did Ability get the Bowie,
- 4 Maryland address?
- 5 A. CBC Innovis.
- 6 Q. I'm showing you here the credit
- disputes for ACDVs, there's four of them there and
- 8 those are the documents that Ability Recovery
- 9 Services sent the plaintiff in response to the
- 10 request for the production of documents. Do you
- 11 recognize that document?
- 12 A. I don't work hands on with these, but I
- do know that it's an e-OSCAR.
- Q. Okay. Do you know how these documents
- 15 are generated?
- 16 A. They come to us, the girls log in
- online and pull the information down that way from
- 18 like a queue.
- 19 Q. How does Ability Recovery Services
- 20 receive this document?
- 21 A. Other than the girls logging in online

- and getting the information through, you know, their
- website, I don't know.
- Q. When you say the girls log in online,
- 4 are you talking about into the e-OSCAR system?
- 5 A. Yes.
- 6 Q. Okay. Thanks. Can you just turn to
- 7 the second page. Can you read that last sentence
- 8 there for the record.
- 9 A. Down here?
- 10 O. Yes.
- A. By submitting this ACDV you certify
- that you have received and considered all associated
- images, you have verified the accuracy of the data in
- 14 compliance with its legal requirements and your
- computer and/or manual records will be adjusted to
- 16 reflect any changes noted.
- 17 Q. Okay. Just for the record where it
- says reviewed, I believe you said received.
- A. Sorry. My eyes aren't what they used
- 20 to be.
- Q. All right. So what's your

Page 35 understanding of that statement? 1 That we have reviewed the account and 2 Α. the information that we are reporting over is 3 4 correct. 5 Okay. Q. MR. GOLDSON: I would like to go 6 ahead and mark the exhibit. 7 (Whereupon Exhibit 10 was marked for identification.) 9 10 BY MR. GOLDSON: Ms. Nanfeldt, is it your understanding 11 0. when you respond -- when you responded, I'm sorry, 12 when ARS, Ability Recovery Services, responded to 13 those disputes, is it your understanding that that 14 response was confirming the reporting as accurate? 15 I think it was doing neither. It was 1.6 Α. saying this is the information that we have. 17 18 0. Okay. Or just saying that the information we 19 Α. 20 sent over was correct. The information that you were sending 21 Q.

- is correct, it's your understanding of the
- verification of those disputes?
- A. I'm saying the information as her name,
- 4 her address, the information that we have on file
- 5 that went over in that string to the credit bureaus
- 6 was correct.
- Q. Okay. Did Ability Recovery Services
- 8 confirm the debt as accurate with the first ACDV?
- 9 A. I don't know.
- 10 Q. Did Ability Recovery Services confirm
- that the debt is accurate for the second and third
- 12 disputes?
- 13 A. I'm not that familiar enough with them
- 14 to answer that.
- O. What is e-OSCAR?
- 16 A. e-OSCAR is the online disputing site.
- 17 Consumers go there, they put their dispute in, it
- 18 comes to us and we answer it.
- 19 Q. Next I'm showing you the consumer, the
- 20 plaintiff in this matter Crystal Long's dispute,

- Q. Okay. And when did you first become
- 3 aware of Crystal Long's account with Pendrick?
- A. I would say when the lawsuit came.
- Okay. Were you involved at all with
- 6 the specific collection of the account?
- 7 A. No.
- 8 O. We did take a look at these account
- 9 notes earlier, correct --
- 10 A. Yes.
- 0. -- which was marked as Exhibit 2?
- 12 A. Yes.
- O. You were not involved in the collection
- of this particular account, however you are familiar
- with the collection notes and what they report;
- 16 correct?
- 17 A. Yes.
- Okay. In these notes can you tell me,
- we're looking at the debtor activity history, when
- was the initial collection letter sent to Ms. Long?
- 21 A. November 12, 2016.

- Okay. And was there any response to
- 2 that letter received in writing?
- A. Not that I'm aware of.
- Q. Okay. When did Ability receive the
- 5 call from Ms. Long?
- 6 A. November 22, '16.
- Q. Okay. And the entry after the November
- 8 22 entry, what does that reflect?
- 9 A. The e-OSCAR dispute.
- 10 Q. Okay. And what does that mean?
- 11 A. That means that she went and -- she
- went to the credit bureaus, the ones online and
- disputed it.
- Q. Okay. And going back to the November
- 15 22, '16 entry, can you just read what the entry
- means, what it says, excuse me?
- 17 A. Sure. That's taking an account from a
- new status to a disputed status.
- 19 Q. And why would that occur?
- 20 A. That would occur because she spoke to
- someone and she relayed that information to us.

DEFENDANT, ABILITY RECOVERY SERVICES, LLC'S SECOND SUPPLEMENTAL RESPONSES AND OBJECTIONS TO PLAINTIFF, CRYSTAL LONG'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS AND OTHER TANGIBLE THINGS

Defendant, Ability Recovery Services, LLC ("ARS"), by and through its attorneys, Marshall Dennehey Warner Coleman & Goggin, P.C., hereby submits the following Second Supplemental Responses and Objections to Plaintiff, Crystal Long's ("Plaintiff") First Request for Production of Documents and Other Tangible Things directed to ARS, stating as follows:

# PRELIMINARY STATEMENT

As to each and every request contained in Plaintiff's Request for Production,
ARS states the following:

- 1. These responses are made pursuant to the Federal Rules of Civil Procedure and are based upon information presently known by ARS. It is anticipated that further discovery, investigation, legal research and analysis will supply additional factual conclusions and legal contentions. ARS reserves the right to rely on such additional discovery, investigation, legal research and analysis, and to make such additions, changes, and variations to these responses as warranted thereby. These responses are made in a good faith effort to supply as much information and specification as is presently known, but shall not prejudice ARS in relation to further discovery, research or analysis.
- 2. Each response herein is subject to all objections on any grounds that would require exclusion of all or part of any statement herein as if such request was asked of, or statements contained herein were made by, a witness testifying at trial, all such objections being expressly reserved.
- 3. ARS' identification of documents and/or providing information herein shall not be construed as an admission of ARS that any such document and/or information is either relevant or admissible for any purpose, including trial, in the above-referenced matter.
- 4. No incidental or implied admissions are intended by the responses made herein. The fact that ARS has answered or objected to any Request is not an admission that ARS admits the existence of any "facts" set forth or assumed by such request.

# GENERAL OBJECTIONS

- 1. ARS objects to all Requests that attempt to require it to provide information and/or documentation not within its possession, custody, or control, or within the possession, custody, or control of any of its representatives, employees, agents, or attorneys.
- 2. The absence of an objection that a Request is irrelevant is not intended to be a waiver of that objection and ARS reserves the right to object on relevancy grounds at any stage of these proceedings.
- 3. ARS has responded to these Requests to the extent of its current knowledge and available information. However, ARS discovery and investigation in preparation for trial of this matter has not been completed as of the date of these responses, and therefore, ARS does not purport to state anything more than the information presently known to or discovered by it. ARS specifically reserves the right to supplement, modify, or amend its responses or to present additional information at a later date.
- 4. ARS has based its responses upon the assumption that Plaintiff and did not intend to seek information protected against discovery by the attorney-client privilege or the attorney work product doctrine. To the extent any Request or any part thereof is intended to elicit such information, ARS objects thereto and asserts the protection and privileges provided thereby to the fullest extent.
- 5. ARS objects to the Requests which attempt to require it to identify "all" persons with knowledge and documents on the grounds that such Requests are unduly burdensome, oppressive, and overbroad.

- 6. ARS objects to these Requests to the extent they utilize the word "identify" in such a manner as to render the Request unduly burdensome, oppressive and overbroad.
- 7. ARS objects to these Requests on the grounds that they are unduly burdensome and oppressive to the extent that the Requests require ARS to state specific facts, documents conversations, agreements and personal knowledge upon which ARS bases a denial of an abstract, vague, general and incomprehensible assertion by ARS. In many cases, it is difficult, if not impossible, to prove a negative or a nonexistence, particularly when ARS is given no specific facts to refute. Accordingly, ARS reserves its right to introduce any additional information when and if Plaintiff makes specific supported assertions.
- 8. Referencing and expressly incorporating each of these general objections, ARS hereby responds as follows:

# DEFENDANT, ABILITY RECOVERY SERVICES, LLC'S SECOND SUPPLEMENTAL RESPONSES AND OBJECTIONS TO PLAINTIFF'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS AND OTHER TANGIBLE THINGS

1. All documents relating to any amount you claim that plaintiff owes or owed you.

# RESPONSE:

ARS has provided counsel for Plaintiff with its redacted account notes regarding its attempts to recover a debt obligation owed by Crystal Long to co-Defendant, Pendrick Capital Partners II, LLC ("Pendrick").

2. All records of communications between plaintiff and you, including all documents, records of telephonic communications, collection logs, court notices, court filings, log books or other records from November 17, 2016 to the present. This includes but is not limited to any oral communications, statements, demands, notices or other correspondence from any source.

#### RESPONSE:

Objection. ARS objects to this Request on the grounds that it is vague, overbroad and not calculated to lead to the discovery of admissible evidence. Subject to and without waiving these objections, ARS responds that it has provided counsel for Plaintiff with its redacted account notes regarding its attempts to recover a debt obligation owed by Crystal Long to co-Defendant, Pendrick.

3. All records of communications between you and any consumer reporting—agency regarding plaintiff, including all furnisher data, reinvestigation documents, records of telephonic communications, AUD's, CDV [Consumer Dispute Verification] and ACDV [CDV response] and UDF [Universal Data Form], and notices of blocking sent pursuant to 15 U.S.C. § 1681c-2(b), and notices of modification, suppression or deletion sent pursuant to 15 U.S.C. § 1681i(a)(5)(A).

#### RESPONSE:

ARS has provided counsel for Plaintiff with a copy of the automated credit dispute verifications in its possession regarding the account at issue.

4. All records of communication between you and Pendrick with any of the Plaintiff's personal identifiers. Please include any and all placement data that resulted in your pursuit of the Plaintiff for the alleged debt.

#### RESPONSE:

#### RESPONSE:

ARS objects to this Request on the grounds that it is irrelevant, overly broad, unduly burdensome, not calculated to lead to the discovery of admissible or relevant evidence and is intended to harass and oppress ARS. See Dewey v. Associates Collectors, Inc., 927 F.Supp. 1172, 1175 (W.D. Wis. 1996); Powell v. Computer Credit, Inc., 975 F. Supp 1034, 1039 (S.D. Ohio 1997)("the Court should consider the debt collector's noncompliance as to the individual plaintiff only, and not to others who may have been subject to the debt collector's noncompliance"); and Anderson v. Frederick J. Hann and Associates, 361 F. Supp. 2d 1379, 1384 (N.D. Ga. 2005) [declining to consider FDCPA violations unrelated to the present action); Cusumano v. NRB, Inc., 1998 U.S. Dist. LEXIS 15418, \*4-\*7, Case No. 96 C 6876 (N.D. III. Sept. 22, 1998) (denying motion to compel production of information about other litigation concerning collection practices)(citing to Byes v. Credit Bureau Enters., 1995 U.S. Dist. LEXIS 13559, \*2 Civil Action No. 95-239 SECTION "I" (4) (E.D. La. Sept. 8, 1995)) and Richard v. Oak Tree Group, Inc., 2008 U.S. Dist. LEXIS 95002, \*20, Case No. 1:06-cv-362 (W.D. Mich. Nov. 21, 2008) (finding the reasoning in Dewey persuasive and concluding that the "frequency and persistence of non-compliance" does not include a debt collector's action with respect to non-parties). Additionally, F.R.E. 404 clearly states, "evidence of a person's character or a trait of character is not admissible for the purpose of proving action in conformity therewith on a particular occasion. . . The fact that ARS may have faced lawsuits in the past or may be involved in other lawsuits presently is clearly character evidence and nothing more and thus, is neither relevant nor admissible and is unduly burdensome in light of the claims asserted. Also, the information sought by Plaintiff in this Request is equally available to Plaintiff in the public domain.

# DEFENDANT, ABILITY RECOVERY SERVICES, LLC'S SECOND SUPPLEMENTAL ANSWERS AND OBJECTIONS TO PLAINTIFF, CRYSTAL LONG'S FIRST INTERROGATORIES

Defendant, Ability Recovery Services, LLC ("ARS"), by and through its attorneys, Marshall Dennehey Warne, Coleman & Goggin, P.C., hereby submits the following Second Supplemental Answers and Objections to Plaintiff, Crystal Long's First Interrogatories addressed to ARS, stating as follows:

#### PRELIMINARY STATEMENT

As to each and every request contained in Plaintiff's First Interrogatories,
ARS states the following:

- 1. These responses are made pursuant to the Federal Rules of Civil Procedure and are based upon information presently known by ARS. It is anticipated that further discovery, investigation, legal research and analysis will supply additional factual conclusions and legal contentions. ARS reserves the right to rely on such additional discovery, investigation, legal research and analysis, and to make such additions, changes, and variations to these responses as warranted thereby. These responses are made in a good faith effort to supply as much information and specification as is presently known, but shall not prejudice ARS in relation to further discovery, research or analysis.
- 2. Each response herein is subject to all objections on any grounds that would require exclusion of all or part of any statement herein as if such request was asked of, or statements contained herein were made by, a witness testifying at trial, all such objections being expressly reserved.
- 3. ARS' identification of documents and/or providing information herein shall not be construed as an admission of ARS that any such document and/or information is either relevant or admissible for any purpose, including trial, in the above-referenced matter.
- 4. No incidental or implied admissions are intended by the responses made herein. The fact that ARS has answered or objected to any Request is not an admission that ARS admits the existence of any "facts" set forth or assumed by such request.

#### GENERAL OBJECTIONS

- 1. ARS objects to all Interrogatories that attempt to require it to provide information and/or documentation not within its possession, custody, or control, or within the possession, custody, or control of any of its representatives, employees, agents, or attorneys.
- 2. The absence of an objection that an Interrogatory is irrelevant is not intended to be a waiver of that objection and ARS reserves the right to object on relevancy grounds at any stage of these proceedings.
- 3. ARS has responded to these Interrogatories to the extent of its current knowledge and available information. However, ARS' discovery and investigation in preparation for trial of this matter has not been completed as of the date of these responses, and therefore, ARS does not purport to state anything more than the information presently known to or discovered by it. ARS specifically reserves the right to supplement, modify, or amend its responses or to present additional information at a later date.
- 4. ARS has based its responses upon the assumption that Plaintiff and did not intend to seek information protected against discovery by the attorney-elient privilege or the attorney work product doctrine. To the extent any Request or any part thereof is intended to elicit such information, ARS objects thereto and asserts the protection and privileges provided thereby to the fullest extent.
- 5. ARS objects to the Interrogatories which attempt to require it to identify "all" persons with knowledge and documents on the grounds that such Requests are unduly burdensome, oppressive, and overbroad.

- 6. ARS objects to these Interrogatories to the extent they utilize the word "identify" in such a manner as to render the Request unduly burdensome, oppressive and overbroad.
- 7. ARS objects to these Interrogatories on the grounds that they are unduly burdensome and oppressive to the extent that the Interrogatories require ARS to state specific facts, documents conversations, agreements and personal knowledge upon which ARS bases a denial of an abstract, vague, general and incomprehensible assertion by ARS. In many cases, it is difficult, if not impossible, to prove a negative or a nonexistence, particularly when ARS is given no specific facts to refute. Accordingly, ARS reserves its right to introduce any additional information when and if Plaintiff makes specific supported assertions.
- 8. Referencing and expressly incorporating each of these general objections, ARS hereby responds as follows:

#### Dear Sir or Madam:

I am writing to dispute the following information in my file. I am disputing the error on my credit report relating to a collections from Ability Recovery Services LLC. for EMCARE-RANDALL EMERGENCY PHYS in the amount of \$1,125 that does not belong to me. I received a letter dated November 14, 2016 from Ability Recovery Services indicating that they had received this debt and that unless I notified their office within 30 days after receiving this notice to dispute the validity of this debt or any portion thereof their office would assume this debt be valid.

I then called the number on the lotter and spoke to one of their representatives (within the 30 days that the latter was written) to notify them that their records were incorrect and this bill did not belong to me. The representative then stated the date of birth for the parties receiving service which did not agree to mine. Then the date of service, I then indicated that I have never received service at any time in life from EMCARE-RANDAL EMERGENCY PITYS. With the this new information, they said that they were going to make note on their file stating that Crystal Long, at 12706 Fairwood Parkway, Bowie Md, 20720, was not the correct person and this would not be reported to my credit report. I am gathering by the fact that I am now writing this letter this did not happen.

So I am requesting that you investigate this error and delete this collections account promptly from my credit report. I have enclosed is the original letter I received dated November 14, 2016.

Sincerely yours,

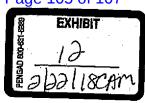

Geystal M. Long
